

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 967

February 10, 2021

SUMMARY OF BILL: Requires the Commissioner of the Department of Agriculture (TDA) to include information on sustainable and organic farming techniques with the information disseminated regarding winemaking.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- Adding these topics to already required dissemination of information is absorbable within existing TDA staff and resource, without a significant increase in state expenditures.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink that reads "Bojan Savic".

Bojan Savic, Interim Executive Director
